INNOVATING GROWTH

TORNADO **MOBILE SHREDDER**

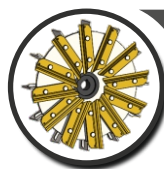

FARMER'S SMART CHOICE

- Extra-long chute - to divert material in the trolley running parallelly by another tractor.
- Foldable chute flap - to suit different trolley sizes.
- Heavy duty frame.

The Jagatjit Mobile Shredder is a single-row chopper/shredder, driven by a tractor's PTO, designed for unparalleled chopping and shredding of maize crop residues, cotton stalks, and various similar crops.

TORNADO MOBILE SHREDDER

A heavy-duty flywheel bearing, equipped with seals & lubricant that provides robust protection against moisture, dirt, and debris.

In-built blade sharpening system that allows sharpening of blades without dismantling.

The feeding system is equipped with two feeder drums and two pressure roller drums.

Blades made of EN-353 steel for enhanced durability

TECHNICAL SPECIFICATION
